

## Curriculum vitae

**Riccardo Taulli**

### **Personal details**

Born in Torino

Nationality: Italian

Email: riccardo.taulli@unito.it

ORCID ID: 0000-0003-1277-6263; Scopus ID: 8351211100

### **Educations**

2008 PhD in Biochemistry and Cellular Biotechnology, University of Torino, Italy.

2004 MS in Medical Biotechnology, University of Torino, Italy (110/110 summa cum laude).

### **Professional experiences and current position**

03/2018 Associate Professor of Biochemistry, Department of Oncology, University of Torino, Italy.

2008 - 02/2018 Assistant Professor of Biochemistry, Department of Oncology, University of Torino, Italy.

2015 - present Group Leader Molecular Biochemistry, Department of Oncology, University of Torino, Italy.

2014 Marie Curie IOF Fellow (ingoing phase), Department of Oncology, University of Torino, Italy.

2011- 2013 Marie Curie IOF Fellow (outgoing phase), BIDMC, Harvard Medical School, Boston, USA.

### **Honors**

2015 "Pezcoller-Begnudelli" Award.

2010 "Best basic research paper of the Regional Oncology Network", Piedmont, Italy.

2009 "Pezcoller-Begnudelli" Award.

### **Teaching activity:**

Biochemistry (BSc Degree in Biotechnology, University of Torino).

Biochemistry (MSc Degree in Molecular Biotechnology, University of Torino).

Translational Biochemistry in Oncology (MSc Degree in Medical Biotechnology, University of Torino).

Cancer Metabolism (BSc and MSc Degree in Biotechnology, University of Torino).

### **Research main topics:**

Genetic and non-genetic mechanisms of resistance in cancer.

Tumor cell plasticity.

Non-coding RNA.

### **Main projects as PI:**

Mechanisms of lung cancer adaptation to molecular therapy.

Tumor organoids to guide precision oncology.

Non-coding RNAs in cancer biology.

### **Bibliometry (2005-present) ([www.scopus.com](http://www.scopus.com))**

H index: 23

Total number of citations: 2777

Total number of publications in peer-review journals: 56

### **Publications**
